Annual Submission Requirement

All DVBEs must submit to the Office of Small Business and DVBE Services (OSDS) each post certification tax year, a complete copy of the business' federal income tax return, including extensions, within 90 days of the tax return's filing due date. If your business is a partnership, each partner must also submit a complete copy of his or her individual tax return. Additionally, if you are a DVBE that is not a sole proprietorship and your firm rents equipment to the state, you must include in your submittal a complete copy of the personal federal income tax returns for each of your disabled veteran owners, including extensions, and within 90 days of the individual's tax return filing due date. Failure to comply will result in the suspension of your DVBE status and possible decertification, and it shall prohibit your business from participation any state contract until all requirements are met.

Maintaining Your Online Certified Firm Profile

To update your certified firm profile visit <http://www.eprocure.dgs.ca.gov/default.htm> and click on Login or Register to eProcurement (BidSync). You may report changes to the following: Mailing and Principal Office Address; Contact Information; United Nations Standard Products and Services Code, North American Industry Classification System (applicable only to Manufacturers); Keywords and Service Areas. If you update your certified firm profile beyond the aforementioned items, it will require a review of your file and may have an impact to your current certification.

This feature enables California certified small businesses and DVBEs with a convenient way to maintain certain company profile information, including customizing keywords to best describe business specialties. The keywords help many state, local government and other agency buyers and potential business partners find you or a pool of businesses like yours. Don't let a business opportunity pass you by. Keep your certified firm profile information current and your keywords fine-tuned.

Reporting Business Changes

Notify OSDS of all business changes or your certification status will be subject to revocation. To report changes, complete a "Certification Information Change" form located at <http://www.documents.dgs.ca.gov/pd/smallbus/certchange.pdf> . This form also identifies the type of changes which requires submission of a new certification application.

Certification Renewal

A renewal application will be mailed to you prior to the expiration of your DVBE certification. If you do not receive an application, please call us so that you may timely renew your certification.
